

Appl. No. 10/710,437
Amdt. dated June 19, 2006
Reply to Office action of April 3, 2006

REMARKS/ARGUMENTS

The applicant notes the allowance of all pending claims other than claims 1, 4-7, 9 and 10.

5 Claims 3 and 8 are objected to as being dependent on the rejected base claim 1, thus the applicant has rewritten claim 1 with all the limitations of claim 3, and cancelled claim 3. No new material or issues have been introduced.

 Claims 4-7, 9 and 10 depended on the original claim 1, which has been rewritten to include the limitations of claim 3. In light of rewritten claim 1, the applicant requests that claims 4-7, 9 and 10 be allowed.

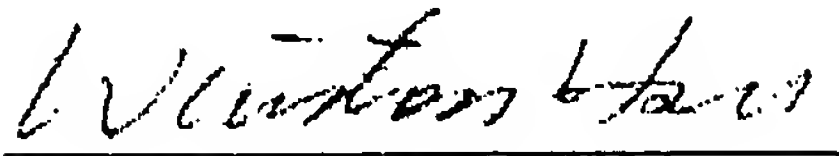

10 Claim 8 has been rewritten to be dependent on claim 1 instead of the cancelled claim 3, and should be allowed.

 Claims 11, and 13-16 are allowed. Claim 11 has been slightly amended merely to take care of informalities. No new material or issues have been introduced.

15 The applicant believes the current application as amended is now in condition for allowance as required, and respectfully requests that a timely Notice of Allowance be issued in this case should the Examiner concur.
